

JMC Capital Partners is a Boston-based private equity firm that executes an operationally focused Platform Strategy acquiring technology-driven Industrial Products companies in the underserved Lower-Lower market.

KEY INVESTMENT CRITERIA

- Product or applied technology sold to industrial or commercial customers
- Revenues between \$10mm-\$40mm
- In a substantial, fragmented market
- Neither a seller of heavy capital equipment nor a business that requires it
- Based in North America

SECTORS OF INTEREST

- Specialty Packaging Materials
- Test & Measurement Devices
- Ruggedized Devices
- Industrial & Building Automation
- Thermal Management
- Air & Liquid Filtration
- Fluid Handling
- Smart City Hardware
- Specialty Coatings
- Process Instrumentation & Controls
- Industrial Valves

OPERATIONAL MINDSET

The founders at JMC come from operating backgrounds within the Industrial Products market. It is from this experience that we understand the operating issues that surround businesses and serve as collaborative partners and a value-added resource to our management teams.

TIMELY TRANSACTIONS

We know speed and certainty to close are critical to sellers. We are able to streamline the process because we only invest in the Industrial Products sector. Our decision makers are involved in every transaction so we are able to act quickly.

INTEGRATION STRATEGY

Our Platform Strategy is based on a shared vision and an operating plan that maximizes business value. Success is achieved with a time-tested integration strategy, operational best practices, and prudent capital structures within technology-driven Industrial Products businesses.
